287, New Bremen, OH. 45869.
Email: nsfrc.sec@gmail.com

HELPFUL INFORMATION FOR THOSE BIDDING FOR THE NATIONAL SILVER FOX RABBIT CLUB NATIONAL SHOW

NOTE: THIS BID FORM MUST BE FILLED OUT IN ITS ENTIRETY TO BE CONSIDERED AS AN OFFICIAL NATIONAL BID FOR UPCOMING NSFRC NATIONALS. Bids filled out improperly/incompletely WILL NOT be considered – please work with the NSFRC Show Committee to correctly complete your bid.

NSFRC Show Committee Chair: Hannah Yost

Email: hannahyost@hotmail.com

The National Silver Fox Rabbit Club (NSFRC) is an ARBA National Breed Specialty Club with approximately ##### members. Entries for past National shows have ranged from 1 to 100 rabbits, depending on various factors. Please take this into consideration as you work on & submit your bid.

There is the potential for a smaller number of entries, and therefore the show should be as cost-effective as possible. The NSFRC requests bids primarily for a location to hold the show. We have found that the most frugal way to hold our National Show is to do the majority of the work ourselves, when possible *(collect all entry fees, obtain all sanctions, do all paperwork, obtain awards and file all reports on our own)*. A reasonable fee for the Judge and for cooping *(if applicable)* is generally what we strive for. Cost and location are our primary driving forces when comparing multiple bids.

Some factors to consider when submitting your bid:

- Location
 - + Compared to previous National shows (we strive for *variety* in locations)
- Date
 - + We try for *spring/early summer* shows but will entertain other dates (think FUR quality)
- Number of shows for the weekend (not to exceed 4 shows/day MAX)
 - + Members are more likely to travel for a greater number of shows/weekend
- Include ALL applicable fees
 - + Booth space cost? Ability to have a raffle/auction? Host club & judge fees?
- Consider an event / venue
 - + Local restaurant, catering at show venue, or a coordinated event (bowling, etc.) for the club members to get together & enjoy the camaraderie & time on Saturday evening
- Additional Lodging
 - + Camping, motels, hotels, Air BNB, etc.

The NSFRC Show Committee will review all bid submissions and will present a recommendation for a National location to the NSFRC Board of Directors (BOD). The BOD will also review and consider all bids and cast a vote for the National venue up for discussion for each specific year. The NSFRC attempts to maintain a **2-year spread** between bid collection & scheduling (ie. Return bids July 2022 for 2024 Nationals) to allow ample time for planning and preparation. Once a bid is accepted, it is the responsibility of the Superintendent to work with his/her team and the NSFRC Show Committee to begin prep and planning for Nationals.
