Candidate Petition

Dear Election Committee,

Please accept this letter as my formal nomination for President of the National Silver Fox Rabbit Club. My biography is included below, and I am available to provide any additional information you may require.

Thank you,
Michael Petersen

Over the past six years, I have seen our club make significant progress, and I am committed to advancing that momentum. I am prepared to lead the organization with clarity, consistency, and purpose. My background includes 22 years of service in the U.S. Navy, where I held senior leadership responsibilities for more than 3,500 sailors through the direct oversight of seven supervisory leaders and their teams. Additionally, I have served in key leadership roles within a historical reenactment organization, including Treasurer, Secretary, and President.

Within the National Club, I have contributed in several capacities, including Sweeps Chair, Marketing Chair, and currently as C&BL Chair and member of the Walter Garland Award Committee. At shows, I take an active role in coordinating activities, supporting judges, and ensuring events operate efficiently. I also serve as President of the Southeastern Silver Fox Rabbit Breeder Club, a growing regional organization that has successfully hosted National Shows and remains focused on delivering well-organized, well-attended events.

I am fully prepared to take on the responsibilities of President and to support the continued success of the National Silver Fox Rabbit Club. I look forward to the election results and the opportunity to serve.

Michael A. Petersen
