Candidate Statement

To the National Silver Fox Rabbit Club,

My name is Emily Kuhn, and I am excited to submit my petition for Director on the Board of the National Silver Fox Rabbit Club. The Silver Fox breed has been a major part of my life for nearly a decade, and I am passionate about giving back to the community that has given me so much.

I began raising rabbits in 2015 and quickly found my home in the Silver Fox breed in 2016. With the guidance of incredible mentors like Lauren Wilson, Jo Mladjenovich, and Margaret Funk, I built a strong foundation focused on quality, integrity, and respect for the breed. Those early experiences not only shaped my breeding program, but also inspired my commitment to helping others grow.

Today, my family and I run Dressler Ridge Rabbitry in Pennsylvania, where we raise Silver

Fox and French Lops with an emphasis on preservation and education. Beyond my rabbitry, I am honored to serve as Co-Chair of the NSFRC Youth Committee, where I actively work to support and encourage young breeders. I am also proud to have founded and chartered the Mid-Atlantic Silver Fox Rabbit Club in March 2026, where I serve as President. Through this club, we host specialties and create opportunities to connect and support Silver Fox breeders across our region.

One of my greatest passions is mentorship. I love helping new exhibitors get started, whether that means providing rabbits, answering questions, or simply being someone they can rely on.

With my background in communications and my dedication to this breed, I hope to continue strengthening our club, supporting our members, and promoting the Silver Fox for generations to come.

Thank you for your time and consideration.

Sincerely,
Emily Kuhn
