Sue McGonegal

Candidate for Director (2026–2028)

Email: mcgsfarm@gmail.com

ARBA #: MCGOSU01

RR #: R1039

Rabbitry #: D2538

Candidate Statement

Hello, Team Silver Fox !

This is my formal petition to announce I am running for reelection of my seat on the National Silver Fox Rabbit Club Board of Directors.

As a member for almost 10 years, I've seen many changes and many accomplishments within the club as we strive to perfect and move this beloved breed of ours into the spotlight for folks desiring to raise quality meat rabbits for homesteaders and such, and dual purpose rabbits for showing, breeding, meat pens, and incredible pets.

I've been a strong supporter of bringing the blue variety back into our beloved breed. I've been breeding them for years, hoping once we do get them re-recognized, I can hit the ground running at the show tables with them.

I've tried to share the genetics I've carefully built, and hope to help others in the future once we do accomplish reinstatement. And since chocolates are now a recognized variety within our breed, I will also undertake working towards getting lilacs recognized as well.

I've also served on the Board of Directors for the Florida White National Club, and feel I made significant contributions within that club. I have and continue to work consistently and extensively with our Youth, mentoring them, judging County Fair shows and Showmanship competitions, and supplying rabbits for other contests such as breed ID and "you be the judge" competitions.

My career in land development has helped me with my abilities to lead and command situations with patience, tact, understanding, and fairness in situations, whether they be good or bad.

To club members, I wish to assure you that I am ever only a phone call, text or email away to discuss any club matters, or just talk about any topics or difficulties you are experiencing with your programs, or within the club. I look forward to being a strong presence on the Board, to continue to represent the membership, and would love to have your vote in the upcoming election.

Thank you.
Sue McGonegal
